## TOTHE DEVELOPER

Alebrijes Studio

## Gratefulness

Dear developer;

First of all we want to thank you for choosing our "Furniture" package as we spent a lot of time and dedication to the realization of each of the models, which will help to create great ideas, ideas that motivate and inspire us to offer competent models for your projects, ensuring that the developer has a good experience in its use.

In the package you will find;

8 tables

3 lamps

5 Decor

8 chairs
8 table center
3 plants

We are interested in hearing about your projects, please feel free to share your projects with us, we would love to know how the models are being used, we could also promote it on our social networks.

We would appreciate if you could take some time to give us a review in Unity Asset Store, it would be interesting to know your opinion,
What do you think about the package?
We are willing to hear from developers who use our packages.

Your feedback would help us to grow and improve.
